

## Program Benefits

### Grows Network

96% of recent HHLN alumni agree that their participation expanded their professional network. Connect with other housing leaders and join a national network of 15,000+ alumni.

### Deepens Knowledge

Explore complex housing issues facing LA County and gain an understanding of collaborative, cross-sector approaches to addressing these issues. Connect with multi-sector and issue-area experts.

### Develops Skills

Strengthen adaptive leadership, advocacy, and coalition-building abilities. Grow self-awareness, communication, and feedback skills. Increase confidence in navigating ambiguity and complexity.

### Enhances Work

Apply tools like human-centered design, coalition-building, and adaptive leadership to real challenges. Tackle workplace issues through peer coaching, and build cross-sector collaboration skills to navigate complex systems.

### Courtney Alicia Miles 2024 Participant

“I recommend applying to anyone that is interested and passionate about housing justice. It's a worthwhile opportunity to learn from your peers who have a different perspective on how to tackle the issue.”

### Jason Brown 2023 Participant

“I've gone through corporate management trainings before...but participating in HHLN was very different. It was a truly diverse cohort...a microcosm of the housing and houselessness space at large. We shared a mutual respect for each other and our different areas of expertise.”
